Chairman

MANAGEMENT DISCUSSION AND ANALYSIS

Industry structure and development

Our company was incorporated in August 1992 for setting up a modern seafood factory for the processing and export of value added marine products to USA, the European Union and the Far East.

Over the last decade the organized corporate sector has become increasingly involved in preservation, processing and export of coastal fish. With the liberalized policy, fish processing sector has been attracting more foreign investment. Various imponderables existed in the industry in succession over the last 9-10 years.

Countries to which a major portion of seafood is destined are becoming increasingly discerning and quality conscious. There is an all round realization at every level that quality production of international standards is the watchdog for survival now. Uniroyal Marine Exports Ltd was conscious about maintenance of quality from the very inception of the company and has fully geared to maintain quality right from the selection of the raw material to that of the ingredients. We had already taken steps to upgrade the hygienic and sanitary conditions of the workers, plant and machinery so as to ensure quality of the finished product.

Opportunities/Risks

Opportunities

1. Our Company has adopted IQF (Individually Quick Frozen) technology, ensuring higher value addition in its production.
2. Proximity to main fish landing centers namely Beypore and Puthiyappa in North Kerala.
3. Our Company enjoys the Green Channel Status for export of cooked product to USA and also approval for export of IQF and Block fishery products to the European Union.
4. The cost control measures introduced by the management are being continued.

Risks/Threats

1. The Company is largely dependent on natural sea caught material. Availability of raw material would depend upon the seasons.
2. Selling prices are governed by international market.
3. Export realization is affected by fall in Rupee Dollar Exchange Rate.

**Internal Control System and their adequacy**

Company has been maintaining adequate internal control systems commensurate with the size and volume of the business with respect to the purchase of stocks, raw materials, (including components), plant and machinery, other assets and sale of goods. It also ensures that all the assets of the company are adequately protected against loss and all the transactions are properly authorized, recorded and reported. The Internal Control System is supplemented by Internal Audit conducted by a Chartered Accountant.

Financial Performance

While the sales for the current period has been less in comparison with previous year, we earned a net profit of Rs. 22.08 lakh after tax and prior period adjustments.

The financial result of the company during the year under review was satisfactory despite shortage of raw materials.

As the company is engaged in manufacture of marine products only, segment wise analysis is not significant.

Industrial relation and human resource management

Your Management firmly believes that success of any organization comes from good human resources. Employees are considered as important and valuable assets of the organization and key to its success. Total number of employees directly employed by the company was 85.

Cautionary Statement

Statement given in this section describing the company's objectives, projection, estimates, and expectations may be "forward looking statements" based on the present environment, rules and regulations. The actual result could differ materially from those expressed or implied. The important factors that could make a difference among others are economic situation affecting demand and supply, price fluctuation both in domestic and international markets in which the company operates, changes in Govt. regulations, consumer taste, tax laws, other statutes and other incidental factors. The company assumes no responsibility to publicly amend, modify or revise any of the forward-looking statements on the basis of any subsequent developments or events.

REPORT ON CORPORATE GOVERNANCE

I. Philosophy:

**Auditors' Report to the Members of
Uniroyal Marine Exports Ltd.**

We have audited the attached Balance Sheet of Uniroyal Marine Exports Limited as at 31st March, 2011 and Profit and Loss Account of the Company for the year ended on that date annexed thereto and Cash Flow Statement for the year ended on that date. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

1. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
2. As required by Companies (Auditors Report) Order, 2003, issued by the Central Government in terms of Section 227(4A) of the Companies Act, 1956, we enclose in Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
3. Further to our comments in the annexure referred to, we report that:
 - (a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of account, as required by law, have been kept by the Company, so far as appears from our examination of the books of account.
 - (c) The Balance Sheet, Profit and Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the Balance Sheet, Profit and Loss Account and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956, to the extent applicable.
 - (e) On the basis of written representations received from the Directors of the Company as at March 31, 2011 and taken on record by the Board of Directors, we report that no Director is disqualified from being appointed as Director of the Company under clause (g) of sub section (1) of Section 274 of the Companies Act, 1956.

- (f) In our opinion, and to the best of our information and according to the explanations given to us, the said accounts read together with the statement on significant accounting policies and other notes given in Schedule-14, give the information required by the Companies Act, 1956, in the manner so required, and give a true and fair view in conformity with the accounting principles generally accepted in India:
- (i) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2010
 - (ii) in the case of the Profit and Loss Account, of the Profit of the Company for the year ended on that date, and
 - (iii) in the case of the cash flow statement, of the Cash Flows for the year ended on that date.

- G) Employees benefits:-
Retirement benefits : Defined benefit plans-
Contributions to defined contribution schemes such as Provident Fund and ESI are charged to the Profit and Loss account as incurred. The company also provides for retirement and post-retirement benefits in the form of gratuity and leave encashment. Such defined benefits are charged to the Profit and Loss account based on valuations, as at the balance sheet date. Provision for gratuity liability has been made on the basis of valuation, submitted by the management . Actuarial valuation as per AS-15 of ICAI has not been complied with, the effect of which is not ascertainable.
- H) Borrowing costs:
Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of that asset till such time the asset is ready for its intended use.
- I) Impairment of assets:
At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. No such adjustments have been made during the year under consideration. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. If the carrying amount of the assets exceeds its recoverable amount, an impairment loss is recognized in the Profit and Loss Account to the extent the carrying amount exceeds the recoverable amount.
- J) Segment Reporting:
The Company has only one segment. The Company's operation predominantly related to processing and exporting of marine products and has disclosed exports as its primary segment. Since the income on account of other activities are only incidental to the main business of seafood export and does not individually contribute to 10% or more of the total revenue receipts as per AS – 17 as prescribed under companies (Accounting Standards) Rules, 2006 separate segment reporting is not applicable. Local turnover is not significant in total turnover.
- K) Depending on the facts of each case and after studying the legal implications, the Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made. The disclosure is made for all possible or present obligations that may but probably will not require outflow of resources as contingent liability in the financial statement

- L) The entire Technical Know-how and Preliminary Expenses had been written off over a period of 10 years.
- M) Sundry debtors: In the opinion of the management, sundry debtors, loans and advances will realize a value as stated in the financial statement, if realized in the normal course of business. The balances are therefore as per books of accounts only.
- N) Use of Estimates:
The preparation of financial statements in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.
- O) Taxation
Current Income Tax – Tax on income for current period Rs. 5,20,000/- is determined on the basis of MAT provision applicable U/S. 115 JB of the IT Act.

P) Deferred Tax Working:
