Textual Information(1)	The Company was incorporated in August 1992. Owing to the early establishment of the Company, a few of the original promoters have unfortunately remained untraceable despite our consistent efforts over the years. These efforts include repeated communications through annual reports, updates on the Company's website, and public notices published in widely circulated newspapers. We would like to assure you that we are continuing to make every possible effort to locate and engage with the untraceable promoters. In the meantime, the promoters who are traceable have already initiated the process of dematerialising their remaining shareholding, and the Company is actively coordinating with the relevant stakeholders to ensure that the dematerialisation is completed at the earliest. We remain committed to full compliance and transparency and will keep the stakeholders informed of any further developments in this regard
